LIBRARIAN'S REPORT

This year over 50 books have been given to the Unity Free Library in addition to those bought with the trustees fund and those given by the Public Library Commission. Several magazines

have also been donated. I wish to thank those who have been so generous.

The Unity Free Library has a very good selection of books, both modern and classical. The library at the Center and the branch libraries at East and West Unity are open to all at any time. We especially urge the pupils of our schools to borrow and read books as we have many that will be of great advantage to them.

When purchasing books the reading tastes of all are taken into consideration.

In view of the fact that our appropriation is low, it would be greatly appreciated if the town would purchase such needful articles as book labels, record books and other items which must of necessity be taken from our book fund.

Respectfully submitted,

ABBIE M. REED, Librarian.

SUPERINTENDENT'S REPORT

To the Unity School Board:

I hereby submit my fifth annual report as your superintendent of schools.

Two teachers accepted positions to teach in other districts last spring. They were Miss Janet Whitcomb at the Center and Miss Claire Sing at East Unity. The Center school was small and the East Unity School large. By shifting the transportation not only would it be convenient to have the two teachers at the East, but it would relieve the Center School of having any seventh or eighth grades this year.

Miss Edith Noble was hired for the four upper grades at the Church School, and Miss Florence Hutchinson for the four upper grades at East Unity. Mrs. L. Alice Douglass was made principal of the East Unity School. Miss Noble and Miss Hutchinson are graduates of Keene Normal School, class 1937.

East Unity and the Unity School Board have reason to be proud of the school-house at East Unity. Considering the amount of money expended, it seemed impossible that the work could be done. Mr. George Callum had charge of the work and certainly turned everything to advantage for the district.

The teachers and the pupils are making the work in your schools of value, and I hope that many of the parents may be able to visit and see for themselves the excellent work being done.

I appreciate the loyalty and help of the Unity School Board, the teachers and the citizens.

Respectfully submitted,

WALTER L. MASON.
